SUBJECT : Soviet Operational Modeling

Attached is a proposal [redacted] to undertake a project which I have tried to get going someplace since I arrived. We have a good piece done by [redacted] OSWR on Soviet naval modeling, but nothing dealing with land warfare. [redacted]

I talked to [redacted] SOVA/TFD who is positive on the project and will see if he can get year-end money for it. We have a short time if we are to use '83 funds. If [redacted] strikes out, what is the chance of getting NIC money? [redacted]
